An illustration of three anime-style catgirls. On the left, a girl with dark hair and cat ears sits and holds a small orange cat. In the center, a girl with brown hair and cat ears sits and looks towards the viewer. On the right, a girl with long black hair and cat ears lies on her back, looking up. All three are wearing white tops with pink bows. The background is a soft, light yellow.

**WHERE

I've published a book where cats are the main characters!!

STREET

Nice to meet you,
I'm Yukue Moegi.

HE WAS
JUST
YOUR
NORMAL
STRAY
CAT.

It says
it twice

Originally,
Bansamen was just
your normal stray cat
who appeared in a
BL manga called
"Kusonabe Koi."

I've always wanted to try
drawing a story from the new
point of a cat who faces himself
and his relationships with other
cats, but I didn't expect my
wish to be granted so soon!

FOR
REAL
!?

WHY
DON'T YOU
DRAW A MANGA
WITH BANSAMEN
AS THE MAIN
CHARACTER?

Is Is
that dog?
Really-?

It's a Bl spinoff
but just with cats?
Seriously?

Eh? It'll only
feature cats?
There's no
humans?

Idiot —

If it's like that
then I'll make you cool
Brosamen!

cool
cool
cool

So I've drawn
this book with those
feelings in mind
Not only cats, but
every ugly animal
greatly captivates
my heart

Brosamen is cool!!
He's a guy overflowing
with manliness!!
He's just ugly!!

Thank
you
To my
editor,
my little
doggy, my
family, and
everyone
who gives
me a hand.

BAM!
